

I believe that knowing about your employees is very important. I believe that it could help me to work with your needs and help us work together. I believe in teamwork! The questions below are to help me understand you along with qualifying you for a specific job. If you find that a question is offensive or irrelevant, please do not fill it in. It will not and does not affect your application. During your job interview, please feel free to ask any questions about myself that may help you understand me and assist you with making a decision as to whether you would appreciate working here.

Thank you,
Jim Rach
